PARCEL 2 -- 10.12 AC -- \$151,800

10.12 acres of AG-zoned land on Campbell Rd in Walton County. The parcel offers a workable blend of tree cover and cleared area, giving a buyer room to site a home, barn, or pasture while keeping some natural buffer. Electric service runs along the road, though the land is unimproved -- no existing well or septic -- so buyers can plan their own layout from the ground up. Located minutes from DeFuniak Springs, and within easy striking distance of Ponce de Leon Springs State Park for swimming and hiking, and about 45 minutes from the beaches of South Walton. Well suited to a homesite, small farm, or recreational getaway.
