Bedroom, Bathroom,
Unimproved Land on 1.57 Acres

SUNNY HILLS, Chipley, FL

Rare opportunity to own 1.57 acres in the growing Sunny Hills community! Offered together, Lot 4 is approximately .88 acre and Lot 5 is approximately .69 acre, giving you significantly more space and flexibility than the typical homesite in the area. Located near the Sunny Hills Golf Course, these lots offer a peaceful setting with plenty of room to bring your vision to life. With each lot having its own separate tax ID, the possibilities are exciting. Combine the two lots and create a spacious private estate with room to spread out, or explore the option of building two homes--live on one lot and build next door for parents, extended family, or future use. Buyers should verify building requirements and lot combination or development options with the appropriate authorities. Enjoy the slower pace and natural surroundings of Sunny Hills while still being approximately 30 minutes from the white-sand beaches of Panama City Beach. Whether you're dreaming of a full-time residence, retirement retreat, or a property with room for family nearby, finding this much land so close to the golf course is a rare opportunity. Bring your builder, your plans, and your imagination--1.57 acres gives you room to create something special!
